# About me

- I love board-games.
- Every weekend I enjoy hiking with my dog Thomas.
- And dedicate time to my passion for baking.

# Pistachio Ville

Pistachio Ville is created with love thinking about the italian cuisine and their great recipes using this amazing product.

## **My biggest challenge**

**The biggest challenge I face while doing this project was to deal with the frustration at some points when something did not work as expected.**

**It's solved!!**

**It doesn't matter how many time you spend in trying to fix something, doing some yoga or stretching while I was feeling frustrated help to see things more clearly.**
